# Get a Credit Union Debit MasterCard™. Cash and Checks Just Don't Stack Up.

Why dash to the ATM or fumble with a checkbook? A Debit MasterCard is a faster, safer and more convenient way to pay anytime, anywhere. A debit card does not affect your credit rating, nor can you go into debt using one. However, should you overdraw on your account, fees may apply.

Anything Cash Does, A Debit MasterCard™ Does Better

Whether you're paying for lunch, playing a round of golf or planning a weekend getaway, a Credit Union Debit MasterCard gives you more convenience and protection than cash anytime, anyplace.

Making purchases abroad? Take Debit MasterCard with you. It's accepted at more than 33 million merchant locations worldwide. And it's easy to replace if it gets lost or stolen—unlike cash.

With Financial Control Like This, Cash Is No Longer King

Credit Union Debit MasterCard purchases are automatically deducted from your checking account, so you will always know what you have available to spend and can track your purchases online.

We Have One Word For Checks: Checkmate

Say goodbye to writing checks, mailing checks or worrying if a check arrived on time. With a Debit MasterCard, you can set up automatic payments of bills like utilities or rent, so what needs to get paid gets paid—on time, every time.

Global Protection and Zero Liability

Receive 24/7 customer assistance anywhere in the world with MasterCard Global Service™. It includes Lost and Stolen Card Reporting, Emergency Card Replacement, Emergency Cash Advance and help locating ATMs.

Plus, with MasterCard Zero Liability*, you won't be responsible for unauthorized purchases. This coverage extends to purchases made in stores, over the phone, and online.
