

KRISTEN CHRISTIAN

Strategist Behind Bank Transfer Day

Kristen Christian is a Los Angeles-based entrepreneur and the strategist behind Bank Transfer Day, the driving force behind the movement that is shifting banking and financial philosophies across the country. With a perspective based in activism, she was raised with an understanding that cooperation and respect are crucial for communities to thrive. Christian's successful endeavors recently granted her Story of the Year honors by *Credit Union Journal Magazine*.

FRANK ABAGNALE

Acclaimed Subject of *Catch Me If You Can*

Frank W. Abagnale is one of the world's most respected authorities on forgery, embezzlement and secure documents. For more than 30 years he has advised and consulted with financial institutions, corporations and government agencies around the world. Known as one of the world's most famous con men, his life was depicted most graphically in his best-selling book, *Catch Me If You Can*, which later inspired both a film and a Broadway musical.

WAYNE BEST

Head of Business & Economic Analysis, VISA

As Head of Business & Economic Analysis for Visa Inc., Wayne Best is the in-house economist and resident prognosticator for the trillion-dollar American payments industry. Combining a passion for business with an engineer's logic, Wayne has a knack for translating econometric analyses into plain English and can clearly explain and forecast the complex relationships between business and economic trends and the consumer's ability to spend, save, and pay down debt. Wayne travels the world explaining the economic forces that are shaping the future.

SPEAKERS

Building relationships. Strengthening credit unions.
