Dear (Cardholder name),

Thank you for being a valued customer! To show our appreciation, we are extending another way to access your credit account, so that you can consolidate bills, pay for unexpected expenses, or just treat yourself, wherever credit cards are not accepted.

The enclosed checks work just like regular checks, but do not draw from your checking account. Instead, the amount of the checks will simply appear on your new credit card statement.

Not only are these checks the most convenient way to unlock the available credit that you’ve earned, but they also make a great gift. Deposit one into your checking account for instant cash or to pay a private individual. You can even use them to make a down payment on a new car! .

Thank you for choosing our credit card. We look forward to serving you now and over the years to come.

Sincerely,
